Textiles Export during Eighth Five Year Plan period

*278. SHRI VITHALRAO MADHAVRAO JADHAV:
SHRI SURENDER SINGH:

Will the Minister of TEXTILES be pleased to state:

(a) what are the targets of textile exports, year-wise for coming five years;

(b) what would be the amount of foreign exchange earned by the export of textiles during Eighth Five Year Plan period;

(c) what would be proportion of textile exports of cotton clothes and artificial fibre clothes; and

(d) what margin of profit due to export would go to farmers of the country?

THE MINISTER OF STATE OF THE MINISTRY OF TEXTILES (SHRI ASHOK GEHLOT): (a) and (b) For 1992-93, i.e., the first year of the VIIIth Plan, a target of US $ 6349 million has been fixed for textile exports. The Planning Commission envisages an annual growth rate of 13.6 per cent in volume terms for exports during the VIIIth Plan. Textile Export targets for the second and subsequent years of the VIIIth Plan will be fixed at the appropriate time taking into consideration the international market situation, EXIM Policy framework and other relevant factors.

(c) During 1992-93 export targets for Cotton Textiles and Man-made fibre Textiles have been fixed at US $ 1670 million and US $ 536 million respectiively.

(d) The expected increase in export of Cotton Textiles during the VIIIth Plan is likely to result in increased demand for raw cotton which would enable farmers to get more remunerative prices for their produce.
